## American Medicine

Under the American system, American medicine has developed the most effective and most widely distributed care that has ever been provided for any comparable number of people anywhere at any time.

Free men—with fearless minds—progressively provided a higher and higher quality of medical care. This better medical care has been continuously more widely distributed and made more generally available.

Through Blue Cross, physician-sponsored medical service plans and employer-employee group insurance programs, more than 25,000,000 people are now provided with needed protections. The expansion of these services will provide other tens of millions with the means for easier payment of the cost of medical care. Through voluntary methods steps have been, and are being taken to bring to every American more effective medicines and medical procedures than were ever before known or imagined.

## A Lucky Nation

A striking fact of the tumultuous war years through which we have just lived, a fact which no one can truthfully deny, is that the people of the United States wanted for nothing. They kept more than twenty million autos running. Their homes remained brightly lighted and well heated. Their diet, in spite of gripping, was nothing less than abundant. They had plenty of clothes and plenty of luxuries. The families of men in the service were, by and large, the only ones who had the vaguest notion of the horrible sacrifice and destruction being endured elsewhere. This is not a criticism of the home front. It is merely stating facts. It was because of continuing high living standards that we were able to turn in a war production machine.

It is worth reflecting upon the reasons for the maintenance of such living standards. Of course, there was rationing and price control to insure stability. There were also hundreds of thousands of miles of paved highways, railways, countless fleets of trucks, trains, planes, ships; there were countless business organizations, manufacturing plants, and millions of individual producers topped by a mass distributing system of hundreds of thousands of retailers. All of this vast activity functioned with clock-like precision. Temporary stresses and strains were absorbed without hitch.

Now that the war is over, we can begin to appreciate this intricate machine. What it did in war it can do on an even greater scale in peace, providing we don't underestimate its ability and turn to paternalistic government in a futile search for perfection.

"Grandpa, why don't you get yourself one of them hearing devices advertised in the papers?" "Hells bells, son. I'm hearing more now than I can understand. What do I want with one of them things?"

## CINEMATIC CHATTER

By Malcolm Miller

There's a wolf on the loose! Said wolf is Robert Young and the young lamb is none other than lovely Loraine Day, who is pursued . . . and . . . not too said to relate, is captured by said wolf.

All of which takes place during the screening of "Those Endearing Young Charms," which is to be screened at the Everglades Theatre this coming Sunday-Monday, with the two above named stars in the principal roles and Ann Harding and Bill Williams assisting in the unrelenting of one of the most delightful comedies of the season.

Well, at any rate, here is the story in brief. A corporal in the Air Corps is in love with a girl who works at a perfume counter in a New York department store. He introduces her to his friend, a lieutenant who is about to be sent overseas. The lieutenant has the reputation as a lady killer, but when he meets

his friend's girl he falls deeply in love with her and wins her away from the corporal.

I believe that is enough of the story to tip you off that here is a show that you are marking down in your date book as a must see.

On the Tuesday-Wednesday setup I see Paul Muni (why by the way, will be remembered by many as one of the cleverest character actors in Hollywood), and Marguerite Chapman teamed together in a drama that is loaded with action under the

On the same bill will be seen a comedy that will keep you in stitches under the title "Bedside Manner." This one stars Ruth Hussey and John Carroll.

Thursday - Friday brings Chester Morris and Lynn Merrick in a rip-roaring of an action mystery under the title "Boston Blackie Booked on Suspicion." This story will be rendered with all of the traditional cleverness of the said Boston Blackie and his pal.

On the same program is "Es-

aping in the Desert" with Helmut Dantine and Philip and a very good supporting cast. This is a fine story and good acting predominates throughout its screening.

Saturday brings Johnny Mack Brown and Raymond Hatton in an entertaining Western under the title "Partners of the Trail."

See you at the movies—Mal

## Lake Region Canal Trees Being Topped

Barren's Tree Surgeons with headquarters in Jacksonville have the contract for topping and surgical work on the pine tree road bridge from Fort Mayers around the southern end of Lake Okechobee to Clewiston.

J. R. Walters with a six-man crew, are engaged in this work. Suckers are being removed, the trees topped and any trees being

needing surgical attention are receiving it.

Mr. Walters stated that all trees in the Everglades should be kept trimmed to a 20 foot height to minimize the danger from falling trees and blocked highways in case of a hurricane.

Trees so trimmed, he pointed out, soon form an umbrella shape, giving better shade and at the same time have no tendency to become top heavy in case of a bad blow.

The present contract is from the Power Line. Much work of this type is waiting, far more than can be accomplished with the present labor available. He stated that they could use 50 trucks with a four to six man crew to each, were now available for training in this work.

Residents of the East Coast of Florida are to be congratulated on their excellent War Bond responses

Out of 67 counties in the state, the 11 coastal counties, served by the main line of the Florida East Coast Railway, containing 39 per cent of the state's population, have accounted for 55½ per cent of the total War Bond sales in Florida up to the current drive.

The Victory Loan, last of the War Bond drives, offers a challenge to maintain that splendid record. Let's finish the job! Buy that extra War Bond to-day and use bonds for Christmas gifts.

All Florida East Coast Railway employees are urged to participate in the Victory Loan to the fullest extent of their financial means.

chose Migratory Camp, turned  
over and plunged into the en-  
tal, almost completely demol-  
ishing the car. The driver es-  
caped with minor injuries.

Mrs. H. L. Marlowe, Mrs.  
Lewis Powers, son Harvey, Mrs.  
Herbert Marlowe, Jr., and son  
Jerry, had a narrow escape on  
Saturday evening as they were  
on route home from a day in  
West Palm Beach when a rear  
wheel came off near Twenty-  
Mile Bend. Fortunately they  
were traveling at low speed and  
were able to hold the car in  
the road. After some search they  
found the wheel lodged against  
a pine tree. They attribute the  
accident to the fact that the  
nuts must not have been prop-  
erly tightened when the wheel  
was changed just a short time  
before. A number of complaints  
of similar carelessness on the  
part of filling station or garage  
mechanics have been heard re-  
cently and might easily be the  
cause of a major accident.

**Had Holiday Feast**

The South Bay faculty and  
pupils received a pleasant treat  
Wednesday before the Thank-  
sgiving holiday in the shape of  
a Thanksgiving school lunch-  
eon, the surprising menu of  
which was planned and carried  
out by Mrs. Q. A. Keen and  
her helper, Mrs. D. C. Yarbrough.

Roast beef and gravy, with  
rice, English pea and lettuce  
salad, root, butter, milk and  
devil's food cake was served.

**DEWITT DRAA**  
**ENTERTAINED**

Mrs. H. V. Draa entertained her  
son, Dewitt, with a party last  
week honoring his fifth  
birthday.

The children played games  
and presented Dewitt with gifts  
prior to the cutting of the  
birthday cake. The cake was  
served with ice cream and a  
souvenir given each child.

Those in attendance were  
Jeanne Crews, Wayne Ingram,  
Rickey and Paul Miller, Linda  
Sue Connell, Neal Livingston,  
Gilson Hovington, Charles and  
Billy Schoenfeld, Betty and  
Ann Norman, Linda Sue Rabin,  
Sonia and Buster Draa.

Mrs. Draa was assisted in  
serving by her daughter, Ger-  
aldine. Mothers present: Mrs. C.  
C. Livingston, Mrs. Harold Rabin,  
Mrs. J. D. Hovington,  
Mrs. F. C. Schoenfeld and Mrs.  
Frank Miller.

**METHODIST COUNCIL**  
**HOLDS MEETING**

The Church School Council  
and Board of Education of the  
Community Methodist Church  
held a dinner meeting at the  
personage Monday evening with  
the dinner being prepared by  
the teachers of the Beginner's  
Department, Mrs. Freeman  
Schoenfeld, Mrs. Ogle Moore,  
Mrs. J. O. Janson and Miss  
Carolyn Freedlund.

Walter Testrahe, superintend-  
ent, presided over the busi-  
ness session. Plans were discus-  
ed and it was decided to hold  
the Teacher's Training School  
in January with the final date  
to be announced later. An in-  
spiring talk was given by the  
Rev. Jay O. Janson stressing  
evangelism in the Church  
School. Plans were also made  
for the Christmas program to  
be held on the Sunday before  
Christmas. It was announced  
that the next meeting would be  
held on the first Wednesday in  
January.

Others attending were Spots-  
wood Burr, Milton Barry,  
Ralph Kidder, Mr. and Mrs.  
Hugh Bratley, Mrs. N. T. Tay-  
lor, Mrs. Frank Morris, Mrs.  
Milton Campbell, and the Mes-  
srs. Margaret Haines, Louise  
Taylor, Mary Alma Murphy,  
Louise Emery and Margaret  
West.

## Beans Burned by Frost

The cold weather over the week end following Thanksgiving day did not damage in the immediate vicinity of South Bay, but growers some distance from the lake and canals report some damage to tender crops. Roy E. Hudson Farms report the loss of 80 acres of snap beans by frost which were expected to badly that do not expect any returns from the field. Other grows in the Okelanta area and below Okelanta also report fields of snap beans burned by frost. No damage along the canal, however, has been reported.

## Veteran Home on Visit

Pfc. Leland Hardy, veteran of five years army service, 30 months of which were in the Aleutian Islands, visited his father, L. L. Hardy, at South Bay, last week. He expects to return here to spend the winter with his father. Strangely enough the two met in the Aleutians while Mr. Hardy was there in construction work during the war and spent eighteen months on the same island near Attu.

Leland was accompanied from Orlando by his mother and sister, Clarice, now Mrs. Harry Heise, and her husband, First Lt. Heise, who is home on furlough from China where he was a pilot on a P-51, Flying Black Widow. Lieut. Heise has had three years in service and will now be stationed at Charleston, S. C., indefinitely.

## South Bay City Election

A special election to name two councilmen to the South Bay Town Council is set for Dec. 4. Those who have qualified to have their names on the ballot are F. B. Willis and M. J. Hardy. Mr. Willis is a candidate to succeed himself and Mr. Hardy to succeed J. C. Summerlin. Mrs. G. L. Barstow has been named clerk of the election board with Mrs. F. W. Mitchell, Mrs. R. L. Lovell and Mrs. C. J. Brown inspectors.

## Health Service Certificate Award

H. O. Earwood, superintendent of the Okaloosa Migrant Camp, announces that the camp has received a Certificate of Merit for 1945 from the U.S. Public Health Service at Washington, D. C., for the outstanding health program carried on during National Negro Health Week, the week of April 12. The award has just been received and has been hung in the office at the camp.

Mr. Earwood states that the camp is now housing some 2000 persons. This is the largest negro migratory housing unit in the United States. A few families have remained in the camp the year around but most of them are seasonal labor, coming and going with the seasons.

## Bird Hunting Paid

Malcolm Thomas and L. Plank took a couple of days off last week to go hunting in the Big Cypress. They came back with a nice bag of game including one turkey, 12 ducks and 18 squirrels. They report game plentiful, especially wood duck, which were thought to be extinct thirty years ago, but have now staged such a comeback that this season hunters are permitted to kill a limited number. They each got one wood duck.

### OBSERVATIONS

(Continued from Page 1)  
one of those fantastic head  
gears. There were also beauti-  
ful and attractive accessories to  
make up the outfit, and  
costume jewelry galore.

Government decree has held  
that all Indians who now live  
or are later born in Florida, are  
American citizens, with all  
rights due them as are other  
citizens. That the Indians are  
subject to the same laws as  
other citizens, but that most  
criminal offenses in the tribes,  
are handled in their own man-  
ner at the Green Corn Festi-  
vals. State law does not reach  
in the reservations, as the In-  
dians are wards of the Federal  
Government. While on the res-  
ervation the Indians are not  
subject to state game and fish  
laws, which gives them a wide  
latitude to carry on these voca-  
tions, but to the Indian is  
their living.

A kingfisher or other birds  
who live on fish, do not need a  
pilot to guide their cruises as

they have a native ability to  
control their course. Nothing  
faster than a kingfisher, when  
he makes a swoop down after  
his meal.

Waters in the lakes and  
streams of the counties above  
big Lake Okechobee are tre-  
mending from the high water  
marks since the hurricane, and  
this should tend to somewhat  
lessen the lake level, and re-  
lieve some of the farmers of  
their high water and road  
troubles.

Principal Frank O. Hobson  
is the authority for the state-  
ment that the school enrollment  
in the Belle Glade schools now  
reaches near the 800 mark, and  
that figure will be reached by  
the first of the new year, a  
780 to be exact. That shows a  
very excellent increase since the  
opening of school in September.  
Most of these children have  
been subjected to health inspec-  
tion and most are in good phys-  
ical condition. The children in  
the Okeola camp school are in  
particular good condition, where  
they are subject to clinic in-

spection by government health  
officials. However, there are  
some children, who may not be  
have been unable to find suit-  
so healthy, and whose parents  
able housing or camp sites with  
sanitary facilities, and these  
are given a little more rigid  
attention along health lines, to  
prevent any contagion spread-  
ing, if one should come down  
ill.

The turkey feast day has  
come and gone. Many happy  
family group were seated about  
the tables to partake of the  
tasty and appetizing viands,  
and to give thanks for the many  
blessings of the past year. Those  
Pilgrim fathers and their In-  
dian friends of two centuries  
ago, lit upon a happy thought  
and custom when they held  
their first American Thanksgiv-  
ing day on American soil.

Judging by the number of  
business firms who have taken  
agencies for the handling of  
household electric merchandise,  
there is going to be no lack of  
patrons to make their choice of  
refrigerators, electric stoves and  
other appliances. Nearly all the  
national advertised appliances  
manufacturing firms now have  
their local agencies.

Now for the final big athletic  
event of the 1945 football sea-  
son, between Belle Glade and  
Pahokee at the new Athletic  
field on Dec. 7th. If the Golden  
Rams expect to win over the  
Pahokee Blue Devils they will  
have to play better ball than  
they displayed against Delray,  
a noted weak sister team.  
Rams, your people have backed  
you most magnificently this sea-  
son, and have not stinted you  
in any way, and you owe it to  
them to give the best you have.

to give. You are able to pro-  
duce better games than you  
provided in the Clewiston and  
Delray games, so in this final  
game, let's see you strutting  
your best.

Nine young school lads from  
Pahokee, Belle Glade and South  
Bay, left their homes on Mon-  
day morning, to report for mili-  
tary training at Camp Bland-  
ing. The war is over so far as  
fighting is concerned, but the  
rate of discharges is so heavy  
that new men must be called  
into the service for these re-  
placements.

# IT'S NEW! IT'S BETTER! IT'S "ZERLATE"

TRADE MARK

AN OUTSTANDING DUPONT FUNGICIDE FOR  
**POTATO BLIGHTS**  
AND OTHER VEGETABLE DISEASES

"ZERLATE" Fungicide is New—Now  
available to all vegetable growers for the first time. It  
was developed by Du Pont specifically to control early  
and late blights of potatoes as well as other vegetable  
diseases. Use as either a spray or dust.

"ZERLATE" is Better—In official tests at  
experiment stations in Florida, Ohio and Delaware,  
"ZERLATE" led the field in control of many diseases:

**POTATOES**—"ZERLATE" controls both early  
and late blights of white potatoes. "ZERLATE" sprayed  
potatoes produced excellent yields.

**TOMATOES**—"ZERLATE" is effective against  
leaf spot diseases and is the outstanding control for  
anthracnose.

**CELERY**—Field tests have shown "ZERLATE" treated  
celery produced many more crates than its nearest  
competitor.

**BEANS**—Is effective against rust and anthracnose.

"ZERLATE" is Economical—Doses  
range from one to two pounds per 100 gallons of water.  
No spreading agents needed except for plants difficult  
to wet such as cabbage.

"ZERLATE" Won't Wash Off—When  
dry, "ZERLATE" forms a tenacious film.

"ZERLATE"—is safe to vegetable crops.

"ZERLATE" is Compatible—May be  
used with any of the common insecticides normally  
used—including arsenicals, nicotine sulfate, cryolite,  
rotenone, pyrethrum and DDT in either sprays or  
dust combinations.

WITH "DEENATE" DDT  
"ZERLATE" also "DEENATE" DDT gives a most ef-  
fective fungicide-insecticide. In official tests, the  
addition of "DEENATE" DDT added potatoes yields  
another 25 bushels with increased vigor and green  
color of vines due to its effectiveness against blight,  
hoppers and the elimination of all "hopper burn."  
When used in combination with "ZERLATE" when  
used with "DEENATE" is same as without.

## TO MEET ALL YOUR NEEDS A COMPLETE LINE OF DU PONT PEST CONTROL PRODUCTS

"DEENATE" DDT insecticides—For control  
of insect pests of vegetables and fruits as well as live-  
stock and buildings. In "DEENATE" insecticides, DDT  
is especially prepared by Du Pont for farm use. Mixes  
readily with water. "DEENATE" 50-W has high (50%)  
DDT content for effective control where minimum  
visible residue on crop is desired. Also has many other  
farm uses. "DEENATE" 25-W with 25% DDT content  
used where minimum visible residue is not important.

"FERMATE" fungicide—Is also a protective  
fungicide for potatoes, celery, tomatoes, beans and other  
vegetables as well as fruits and tobacco. Also effective  
in control of damping-off of lettuce. Is effective against  
many fungi and safe on a wide range of plants. For use  
as spray or dust. Generally compatible with most  
insecticides.

**COPPER-A COMPOUND**—Another effective  
fungicide for use as either spray or dust on celery,  
tomatoes, potatoes, cabbages, cucurbits, sugar beets,  
citrus fruits, etc. Safer than Bordeaux mixture on  
copper-sensitive plants. For dusting, plants do not need  
to be moist.

and  
LITTLE FOLKS DOINGS  
By Louise Friedheim  
Phone 272

A Thanksgiving program was held by the elementary grades in the auditorium Wednesday and was announced by two narrators, Jackie Royals and John Tedder. The second grades gave a choral devotional, the 100th Psalm. Authentic Indian tunes, ceremonial dances and chorale readings were given by the second and fourth grades. Gay Thanksgiving songs were presented by the first grades. The third and fifth grades made living pictures of the paintings, "Puritans Going to Church," and "Pilgrims Going to Church," by Boughtman. The "Doxology" and "We Gather Together" were sung while these scenes were formed. Feast of the First Thanksgiving was given in costume while "In Long Ago Plymouth" was sung by the fifth grade.

Special numbers were presented by: Constance Kelly and Micky Milligan, Indians; Jeanette Friedheim, Roger Lee King, Josephine Gill, Raymundo, Indians; Thora Lee Whidden, June Browning and Paul Davidson, "Puritans Going to Church"; Robert White, Indian chief; Junior Collins, dancer; Johnnie Schleiter, tom-tom player; Clayton Parker, spirit of the dance; Ronny Cameron, medicine man; Martha Gay Fleming and Mary Jo Moore, Victory Bond girls; and Walter TeStrake and Franklin Jones, color bearers.

Miss Alma Murphy presented the Glee Club to the high school students in assembly on Wednesday afternoon in a Thanksgiving program. Rev. I. E. Elyow gave the devotional. Christine Reese was MC. The group, bedecked in white with black collars and ties, sang the following numbers: "We Gather Together," the Netherlands Thanksgiving hymn; "The Lord Is My Shepherd," and "The Anvil Chorus." The students and the Glee Club sang in unison "America" and the "Doxology." Donna Lee Bowman sang "The Lord's Prayer" to the tune of "Finlandia." Mrs. J. A. Murphy played the piano for the numbers. The risers were made by the agriculture boys.

After the program the cheer leaders led a few yells and

school was dismissed for the holidays. By the way, Peggy Rawls and Sue Cherry were chosen by the football squad last week to be their sponsors for the Belle Glade-Pahokee game. Incidentally, if anyone would like to donate a victrola to the school until one can be purchased, the donation will be gratefully accepted.

**PARTY FOR WARD HARRISON**  
Ward Harrison was honored on his 16th birthday with a surprise party given by his mother at the Woman's Club on Thursday night. "Dancing was enjoyed throughout the evening and the honoree received many nice gifts. Mrs. Paul Bearden, Mrs. Zella Hill and Mrs. Laura McCarty assisted the hostess in serving a dainty birthday cake and ice cream to George Wedgworth, Peggy Rawls, Billy Bearden, Sue Cherry, Jewel Bass, Louise Emery, Boyd Koffman, Helen Friedheim, Joe Cherry, Carolyn Freedlund, Herbert Lloyd, Jeanne Hooker, Louise Friedheim, Billy Taylor, Mary Grace Denton, Billy Eggleston, Grace Eggleston, Carline Cone, Beverly Hughes, Horace Harris, Ray Kent, Larry Royal, Bob Matthews, Bill McClatchey, Richard Pike, Dot Layfield, Roger Cunningham and Betty Jo Bearden.

### DeMOLAY AND RAINBOW GIRLS MEETINGS

The regular meeting of the Order of DeMolay was held on Monday night at the Masonic Hall. There were 330 members present as well as the following dads: Gillis, Merriam, Cherry and Risk. The following boys were initiated: Kenneth Bass, Robert Edens, Johnny B. Jackson, Roger Cunningham, Edmund Jameson, Jerry Cone, Bill McClatchey, Kenneth Harris and Fritz Stein. At the regular meeting of the Rainbow Girls last Tuesday, Mrs. Joe Cherry was presented with a string of pearls in honor of her birthday by the girls. Investigating committees of two members and one member of the advisory board were appointed for the seven petitions. Those handing in petitions to join were Marian Wells, Marian Hayman, Claudine Chanhers, Nancy Crossin and Beverly Latta.

## STANDING UP TO A BIG JOB

Long Distance has been busier than ever since V-J Day. There have been more calls—more rush calls—longer calls.

Service generally is good but there are more times when the lines get overcrowded. Then it's more important than ever to "please limit your call to 5 minutes" when the operator requests it.

We still haven't enough long distance telephone lines, but now we can manufacture equipment for our own use, we are on our way to restoration of pre-war Bell System standards of service.
